

WORKPLACE VIOLENCE

Barton Mutual Insurance Company has partnered with Berkley Re Solutions to provide you with real-time expert services that will help you respond to Violent Events that occur in your workplace. In addition to providing insurance to cover available services, coverage is also available to respond to Business Income loss, as well as various other expenses that may be incurred due to a Workplace Violent Event.

SERVICES TO ASSIST INSURED WHEN A WORKPLACE VIOLENT EVENT OCCURS:

- Crisis Management Consultant for up to 90-days that will guide you through the necessary steps to properly respond to a violent event
- Public Relations Consultant for up to 90-days to guide you in managing the communications lifecycle following a violent event
- Mental Health Counseling provided to insured persons and guests for up to 90-days as needed following a violent event
- Security Guard Services for up to 15-days to provide protection of the insured's premises and employees' privacy following an event

ADDITIONAL COVERAGES INCLUDE:

- Business Interruption Coverage for the loss of income that results from a violent event
- Bio-Hazard Clean-Up Expenses to clean-up bodily fluids and other residual chemicals left on the premises by emergency responders
- Funeral Expenses incurred to bury insured persons and guests that pass away during or as the result of a violent event
- Rewards Expense for information leading to the detection, arrest and conviction of a perpetrator(s) not apprehended during an event
- Extra Expense to rent or lease a temporary location or to hire temporary employees needed to continue operations
- Travel Expense incurred to reunite a spouse, parent or child with an insured person or guest that suffered serious bodily injury during a violent event

PROACTIVE RISK MANAGEMENT TOOLS ARE MADE AVAILABLE ON BARTON MUTUAL'S WORKPLACE VIOLENCE PORTAL:

Few, if any businesses are prepared to respond should a traumatic violent event occur in the workplace, but the Workplace Violence Portal provides the latest advice to:

- Reduce the chances of a Workplace Violent Event taking place
- Prepare a response plan should such an Event occur
- Provide training to employees regarding immediate steps to take

WHAT IS A WORKPLACE VIOLENT EVENT?

A Workplace Violent Event means any intentional and unlawful use of deadly force by a natural person with the intent to harm which directly or indirectly results in Serious Bodily Injury or death to anyone on or within 50 feet of your Premises for a lawful purpose.

WHAT IS A SERIOUS BODILY INJURY?

Serious Bodily Injury means bodily injury to a person that involves a substantial risk of death, or that causes loss of consciousness, extreme physical pain, protracted and obvious disfigurement, or protracted loss or impairment of the function of a bodily member or organ.
